

REMARKS

In response to the Notice of Noncompliant Amendment, Applicant has changed the claim identifier of claim 252 from "new" to "previously presented". Additionally, claim 245 has been amended to more distinctly claim that which Applicants regard as their invention; claims 249-250 have been canceled. Applicants reserve the right to file subsequent continuation and/or divisional applications on canceled subject matter.

Applicants assert that this response places the pending claims 245-263 in condition for further examination. No further claims have been presented. If a telephone conversation would further the prosecution of the present application, Applicants' undersigned attorney request that he be contacted at the number provided below.

Respectfully submitted,

Cheryl H. Agris
